Frekcije. The key concept and the title of your book is "social choreography" and you use it in religion to both stance and the unabletic of manyday measurement. How do you from that onto cept and how is a related to chorecorpolity as among practice?

Andrew Hewitt. My methodology of "spool charaography" is rooted in an attempt to think the denote a tradition of then no about spoul order that derives its ideal from the assistance realm and seeks to instill that order directly at the level of the body. In its most explicit form, this tradition has observed the dynamic choreographic configurations produced in dance and sought to apply those

Education As An Excuse

Moderator: Oliver Erfric

Summer Unversity, which took place from 17:22 August 2006 at PAF (Performing Ars Four) in St. Erm, presented an opportunity for panel discussions on education. It pointed but the orcumstances on the global level that had brought the education into the focus of attention, especially with respect to the performing arts. Pointing out the potentials of reviewing the education issue, it also indicated the side effects of a situation in which most of the funds and institutions refuels to support projects that are not conceived as or in relation to the production of knowledge Special emphasis was placed on Performing Arts Forum and White Valloy Given Planet a non-wederactionally indicates, which it is desirable with the problems and switzed annual good of the problems and switzed annual good of the production.
